KEYSTONE EXAMS

Get extra help for the Keystone Exams

The NAHS staff is dedicated to making sure our students are prepared for the Keystone Exams that will be administered in May. We are offering students the opportunity to attend review sessions aimed at improving their knowledge and understanding of concepts on the Keystone Exam.

Biology Basics

To accommodate the different schedules of the test-takers, Biology Keystone Exam review sessions will be offered during the following times in **Room 257:**

- ☑ After-school review session - **Thursday, May 14 from 2:45-4:15 pm**
- ☑ After-school review session - **Monday, May 18 from 2:45-4:15 pm**
- ☑ Evening review session - **Tuesday, May 19 6:00-7:30 pm**
- Students can attend 1, 2 or all 3 review sessions!

Learning Literature

If you are one of the students taking the Literature Keystone Exam, beef up your reading and writing skills at the following session in the **Lower Level Library:**

- ☑ After-school review session - **Tuesday, May 12 from 2:45- 4:15 pm**

ALGEBRA ASSISTANCE

If you are one of the students taking the Algebra I Keystone Exam, improve your algebraic skills and knowledge at the following session in **Room 606:**

- ☑ After-school review session - **Wednesday, May 13 from 2:45 - 4:45 pm**
