*Dear Parents and Students,*

*We hope you had an enjoyable summer and we look forward to the beginning of School Year 2020-21. I hope this correspondence finds you and your family doing well and staying safe during these uncertain times. There is some important information pertaining to the Food Service Department that I would like to share with you.*

*First off, the Nazareth Area School District Food Service Department will be going cashless this school year. This move was decided upon to reduce the risk of touching money, maintain social distancing, as well as expediting the students through the lunch lines at a faster speed. You will have three options to have money placed on your students' lunch account. Mail a check to the Food Service Office, 357 Tatamy Road, Nazareth, PA. 18064. Send a check into school with your student. All checks may be made out to the NASD Food Service Department. You may also utilize the SchoolCafe online payment option. **Please note there is a \$1.95 convenience fee associated with this option.***

*If your family received free or reduced lunches in the 2019-20 school year, you will be eligible to receive the same meal status for thirty serving days after the beginning of the new school year. However, a new application must be submitted yearly before this date or your child will automatically go to a full paid status. If this should occur, you are responsible for any debt incurred until your form is submitted and approved. All applications are required to be submitted on line. **Applications can be submitted at the following web-site-paschoolmeals.com.** You can access this web-site via the Nazareth Area School District web-site.*

*The online payment option is **SchoolCafe**'. All information pertaining to this option is posted on the food service web-site. Please note: if your student had a negative balance on his/her lunch account at the end of the school year, the debt will be carried over to the new school year and must be paid.*

*The Food Service web page has been updated to now include a Blue Eagle Food, Fun and Fitness newsletter, as well as updated allergy and carbohydrate information for you to have access to. All information pertaining to our program can also be found on our web page.*
